**Vienna, 07 November 2022**

Dear Colleague,

We would like to thank you for your active participation in the “**Workshop on Climate Change and Security in the Shar/Šara Mountains and Korab Massif Area: Developing a joint co-operation/adaptation strategy and an implementation plan**” that took place in Mavrovo on 2-3 November 2022. This workshop was organized within the framework of our extra-budgetary funded project [Strengthening responses to security risks from climate change in South-Eastern Europe, Eastern Europe, the South Caucasus and Central Asia \(#1102151\)](#).

We are grateful for your ideas and insights that have contributed significantly to the discussions at the workshop for developing a shared vision to reduce climate-related security risks and identify joint project initiatives and co-operation formats among the four protected areas of Korab-Koritnik, Mavrovo, Shar Mountain and Sharri/Šara.

Building on the outcomes of this workshop, we will soon proceed with the preparation of the co-operation strategy and an implementation plan for the Shar/Šara Mountains and Korab Massif area.

We are looking forward to the continuation of our close co-operation with you towards the successful implementation of this project.

Yours sincerely,

Ambassador Igli Hasani
